Is there other lodging available that doesn't charge for parking?

Subject: Lodging/Parking Costs for Fruitland Magnesium Fire Incident

Hi Amit,

We will be mobilizing two support staff to the Fruitland Magnesium Fire Incident site on Monday. We have received the government rate for the hotel we will be staying at. However, they charge \$9.95/day for their parking. We will have one vehicle for sure to park, and possible two if the site logistics require it. We currently anticipate between 14-28 days of parking, depending on if we have one or two vehicles. We are asking approval to charge EPA for the parking charge to the Task Order.

Thank you for your consideration.
